OUR Vision

Our Business Solutions has been around since 1984, a respected leader in the industry. Our proudest accomplishment is the large number of long term clients who year after year put their trust in us.

To be a company providing complete speaker solutions to its customers, including cabinet design for optimum acoustic performance. As a result, it will always maintain a strong R&D center with qualified engineers as well as have the latest facilities for testing and development.

To have customer service, product quality and product pricing as one of its core values. For this purpose it will continuously upgrade its process and technology. To always maintain a positive attitude towards its customers and its employees. We want you to be completely satisfied with our services. We will do whatever it takes to make you happy. No hassles, no problems.

OUR SUCCESS KEY

- a. Highly qualified, young & dynamic staff
- b. Company structure ensuring prompt response to market trends
- c. Clearly traced out action plans
- d. Fast response to customer enquiries
- e. Shorter Development Cycle for new product to meet customer requirements.
- f. Can be Cost Effective source because of Economies of Scale & Efficient Manufacturing Practices.
- g. Customer focused project teams.
- h. Capacity to Invest as per Customer Need

QUALITY POLICY

SUNVOICE ELECTRONICS PVT. LTD. is dedicated to provide total customer satisfaction by efficient developments & continual improvements of processes, products through quality management system as per ISO 9001-2015.
